Dear Dr. Hockett and the Council:

On behalf of the participants for the 1983 Elastin Gordon Conference, I wish to thank the Council for your support. I received the check for \$2,500. These funds were essential to us and I have transferred them to the Gordon Conference Office.

For those of us who work in the field of connective biochemistry, the continued support of our efforts by the Council are indeed appreciated.

Again, we are pleased that you have supported the conference.

Sincerely,

ROBERT B. RUCKER  
Professor and Chair
